

Model 6600 Trim Saw

Trim Cants To Length

Originally designed and manufactured to work inline with our 6800 and 6900 Scragg Mills, the Pendu 6600 tow headed trim saw is the easy, efficient way to cut cants to length. Dual saw heads, one stationary and one adjustable, driven by powerful 15 HP electric motors power through material up to 6" (10" Opt.) in depth. The adjustable head will cut cants from 28" up to 72" (120" Opt.) in Length.
