

4-SIDE TIMBER SIZER

Produce uniform sized timbers efficiently with the Pendu Four Side Sizer. 4 powerful heads and 2800 RPM belt driven armors allow this timber sizer run at speeds up to 40 feet per minute. The 4 Side Sizer can handle material 3" - 20" wide, 2" - 17" high, and 7' - 30' long. This is the most efficient way to produce perfectly sized timber for crossing panels and other applications every time!
