

6700PB HIGH SPEED STRINGER NOTCHER

NOTCH UP TO 7000 STRINGERS PER HOUR!

Maximize your stringer production with Pendur's 6700PB Heavy Duty High Speed Stringer Notcher! Built for durability and speed, the 6700PB precisely cuts notches at speeds up to 7000 stringers per hour with virtually no tear out. Powered by two 30HP electric motors, the 6700PB can handle boards 36 inches to 72 inches long, 2 inches to 4 inches wide, and 1 inch to 3 1/2 inches thick. Notches can be cut from 6 inches to 36 inches apart.

Call us today to find out how our 6700PB High Speed Stringer Notcher can speed up your production!
